Task	201	9	2020													
	Dec	; ,	Jan	Feb	N	/lar	Apr		May	Jur	1	Jul	Au	g	Sep	
Magnum Analysis																
Fix sweep apportionment																
Check Calibration																
Magnetic Field Scans Analysis																
Species Scans Analysis																
Simulations																
MAST-U Probe Design Progression - 2D																
MAST-U Probe Design Progression - 3D																
Magnum Comparison 2D Simulations																
Magnum Comparison 3D Simulations																
MAST-U DSF Probe Simulations - 2D																
MAST-U DSF Probe Simulations - 3D																
MAST-U																
MAST-U Start-up																
MAST-U Campaign																
MAST-U Probe Analysis																
Conferences																
IoP Conference		Α														
PSI																
Thesis Write-up
